

## Atlas Design Services Acquired JUMPH Group

*June 8, 2022*

Atlas Design Services, LLC is proud to announce that as part of the firm's growth strategy, we have acquired JUMPH Group, a local Civil Engineering firm that provides flexible engineering solutions for environmentally conscious, sustainable, and affordable communities. JUMPH Group, led by Jen Paisley, PE, LEED AP joins Jonathan Thompson, P.E., LEED AP, and Tommy McClung as Managing Partners for Atlas.

JUMPH Group brings more than 20 years of experience with single family and commercial land development projects in Austin and the greater Central Texas area. With expertise in designing civil infrastructure projects for roads, schools, commercial facilities, housing, and utilities the acquisition of JUMPH strengthens Atlas' ability to deliver value-engineered, sustainable projects for clients in the Central and South Texas growth corridors.

With JUMPH Group now members of the Atlas Team, we look forward to utilizing our enhanced and expanded capabilities to assist our consulting and development partners successfully complete their projects.
