

## **ALL4 Acquires Environmental Strategy Consultants, Inc.**

*October 23, 2020*

ALL4 LLC (ALL4) has completed its second acquisition with the team from Environmental Strategy Consultants, Inc. (ESC) joining the firm. ESC is a Philadelphia-based environmental consulting firm supporting industry in the Philadelphia and tri-state region since 1986. ESC will join ALL4's Philadelphia Region and will further strengthen ALL4's environmental, health, and safety (EHS) consulting expertise.

The addition of staff to ALL4's existing Philadelphia Region expands the technical depth and breadth of ALL4 and increases the ability to serve as an outsourced solution to environmental program management. ALL4 continues to grow and attract top technical talent that fit the ALL4 culture. Bill Straub, Chief Executive Officer of ALL4, said, "There are opportunities in these times to execute our growth strategy and we were excited to welcome the ESC team into our Philadelphia Region."

Lorna Velardi, ESC's President, said, "I am delighted that ESC will be joining the ALL4 team. I have always admired ALL4 and am so happy that the ESC team was given this opportunity to deliver even better service and broader capabilities to our clients. ALL4's strength in providing training and expanded career tracks will present exciting growth opportunities for our staff." The addition of the ESC team brings ALL4's presence in six different regions to 120 employees with a tremendous depth of EHS expertise who serve a diverse set of industries and clients.

"We continue to add experienced EHS consultants to our team," highlighted ALL4 Chief Technical Officer Colin McCall. "We are expanding the industrial sectors that we service and continue to broaden our technical capabilities in a way that allows us to become an extension of our clients' full EHS teams."
