

Atlas Technical Consultants acquires 1 Alliance Geomatics

March 21, 2022

Atlas Technical Consultants, Inc. (Nasdaq: ATCX) (“Atlas” or the “Company”), a leading Infrastructure and Environmental solutions provider, announced today that it has acquired 1 Alliance Geomatics, LLC (“1 Alliance”), a provider of geospatial services to transportation and water resources markets in the Pacific Northwest. With over 70 employees, 1 Alliance utilizes the latest in geomatics technology, including 3D laser scanning and drones, to provide high quality and accurate data-driven solutions to its customers throughout the project lifecycle.

“The acquisition of 1 Alliance adds another highly technical service to the Atlas portfolio that aligns with our goal to expand our service offerings with critical services for all infrastructure and environmental projects,” said L. Joe Boyer, Atlas’ Chief Executive Officer. “1 Alliance has built a strong brand, known for providing high-tech services and delivering quality data to its customers in the Pacific Northwest by utilizing the latest geomatics technologies. We have worked with 1 Alliance on several large infrastructure projects and are excited about the opportunity to enhance our geomatics technology offerings to customers across the Nation.”

The owners of 1 Alliance, Jason Nakamura, Brian Blevins, and Jay Byrd, will remain with the company following the transaction to continue to grow the business.

“We are excited to bring our technological expertise in geomatics to the Atlas family,” said Jason Nakamura, 1 Alliance’s President. “Since we founded the company in 2012, we have had the opportunity to participate on some of the most important infrastructure projects in the Pacific Northwest. Joining Atlas provides 1 Alliance with a larger platform to expand our integrated suite of geomatics technology offerings and grow our brand in new geographies.”

The acquisition is immediately accretive and is deleveraging to Atlas’ balance sheet. Terms were not disclosed.
