

## Buchart Horn acquires Uni-Tec Consulting Engineers

*December 06, 2021*

Buchart Horn, Inc., a full service international architecture and engineering firm based in York, PA, is pleased to announce the acquisition of Uni-Tec Consulting Engineers, Inc., of State College, PA. Uni-Tec's staff will join the Buchart Horn team and begin working from Buchart Horn's State College office located at 2009 N Atherton Street, Suite 200.

For more than 50 years, Uni-Tec has provided quality water, wastewater, and municipal engineering, land development, systems commissioning, and energy services to municipal and private clients throughout PA.

"Uni-Tec's strengths and values align with those of Buchart Horn and will allow us to not only expand our client base, but also provide additional expertise for existing clients," explains Buchart Horn CEO Brian Funkhouser. "We are excited to take advantage of each other's professional skills and see what we can accomplish together."

Pat Ward, PE, former Uni-Tec president and CEO, will continue to focus on the long-term client relationships he built at Uni-Tec, while leveraging his 30+ years of experience to help grow Buchart Horn's presence in the water resources markets it serves.

"Uni-Tec is highly regarded for their work and further enhances Buchart Horn's engineering capabilities, especially in the area of water resources engineering." shares Scott Russell, PE, Senior Vice President of water resources at Buchart Horn. "We value the work ethic and strong relationships behind Uni-Tec's success and feel fortunate to welcome Pat and his exceptional staff to the BH team."
