

## Colliers Engineering & Design Acquires Bolton Perez & Associates

*March 8, 2021*

Colliers Engineering & Design, a national multi-discipline engineering design firm, is pleased to announce it has acquired Miami-based Bolton Perez & Associates, Inc. One of South Florida's leading transportation engineering firms, Bolton Perez & Associates has been serving this region with excellence since 1997.

"We are excited to have Bolton Perez & Associates join our team," said Kevin L. Haney, PE, President/CEO of Colliers Engineering & Design. "This relationship is a strategic step that reinforces our existing footprint in providing exceptional services to our clients while continuing to serve South Florida's transportation needs."

An award-winning multi-disciplinary engineering firm, Bolton Perez & Associates specializes in Traffic Transportation & Construction Inspection services.
