

C&S Announces Growth in Orlando Office

April 15, 2021

C&S is proud to announce the integration of Rick Swisher Architect, Inc., into our growing Southeast practice.

With nearly 40 years of experience providing architectural design services to some of the largest business entities in Central Florida, Rick and his staff have developed a comprehensive architectural approach to design that combines building, theme, function and art together as one. In collaboration with C&S's planning and engineering professionals, we look forward to offering our existing and new clients a new depth of local expertise and service.

We welcome the following Rick Swisher Architect, Inc. employees to the C&S team
