

## **TWM Landscape Architects Have Joined The Fisher Associates Team!**

*August 10, 2021*

Trowbridge Wolf Michaels Landscape Architects (TWMLA) is pleased to announce that we have joined the Rochester-based engineering, planning, and professional services firm, Fisher Associates. Fisher Associates is an award-winning firm with a diverse portfolio in the Transportation, Energy, and Land Development market sectors, with complimentary service lines in Geomatics, Environmental, and Planning. TWMLA Principals, Kimberly Michaels, RLA and Kathryn Wolf, RLA stated, "Our two firms have had a long-standing working relationship for the past 20+ years. The alignment of our cultures including common values, vision, and exceptional client service are what drew us together. The combined talent of TWMLA and Fisher Associates is powerful. We are thrilled to join forces."
