

563 design joins feh design

April 5, 2022

Effective May 1st, 563 Design will join FEH Design in business! 563 Design launched in 2017 by Andrew & Emily McCready with a focus on local design: commercial, historic preservation and rehabilitation, and residential projects. Andrew McCready will join FEH Design as Principal Architect and Shareholder, Emily McCready will serve in a Business Development role. They join a strong team of architects, structural engineers, and interior designers and expand FEH Design's firm wide ownership.
