

GM2 Associates Inc. (GM2) acquires Gordon R. Archibald, Inc. (GRA) of Pawtucket, RI

August 6, 2021

GM2 is honored to have the talented staff of Gordon R. Archibald, Inc. (GRA), located in Pawtucket, RI, join GM2. With our like-minded culture of respect and dedication to client satisfaction, clients can expect the same high-quality of service now combined with a definitive Rhode Island presence and expanded depth of resources.

GM2 now offers a diverse staff of 150 professionals comprised of engineers, environmental specialists and surveyors. Of particular note is the expansion of our environmental and traffic engineering divisions who offer significant expertise on complex projects within Rhode Island and Massachusetts. More specifically, our environmental services now include environmental impact studies, site development, environmental site assessment and remediation, and regulatory compliance for projects both large and small.

In the government sector, the firm's Rhode Island clients include the Rhode Island Department of Transportation (RIDOT), the Quonset Development Corporation (QDC), the University of Rhode Island (URI), the Rhode Island Department of Environmental Management (RIDEM), Rhode Island Public Transit Authority (RIPTA), the Narragansett Bay Commission (NBC), the Warwick Sewer Authority (WSA) and many municipalities throughout Rhode Island; and Massachusetts, including the Massachusetts Department of Transportation (MassDOT). Our private client list is equally diverse, including architects and owners of both commercial and residential projects.
