

GreenAssociates Announces New Springfield Office!

February 19, 2022

GreenAssociates, Inc. has acquired Allied Design Consultants, Inc., expanding our service locations and expertise. ADC will now operate as GreenAssociates' Springfield office.

Allied Design Consultants, Inc. is a full service architectural firm which began operations in 1984. Staff includes licensed architects, technicians, field observers and support personnel. The firm utilizes the latest in digital design and production and employs cloud-based services to streamline project delivery and communication.

GreenAssociates is expanding our services to continue providing the enlightened designs and practical solutions you expect from two locations in Illinois.
