

## **INSITE SURVEYING, LLC ACQUIRES SECAUCUS-BASED LAND SURVEYING FIRM, FARALDI GROUP, INC.**

*August 17, 2020*

InSite Surveying, LLC, a New Jersey land surveying firm based in Wall Township, NJ, announces its acquisition of Faraldi Group, Inc, formerly based in Secaucus, NJ.

Founded in 1984, Faraldi Group, Inc. is a well-respected full-service land surveying firm. The firm specializes in providing a wide range of land surveying services to a strong client base. Their professional experience encompasses a full spectrum of surveying services focused on construction layout, boundary and topographic surveys, title surveys, ALTA/NSPS land title surveys and more. James J. Schack, PLS has joined InSite Surveying as part of the acquisition, bringing 17 years of knowledge and experience with Faraldi Group's clients and projects with him.

"We are very excited to announce the acquisition of Faraldi Group," said Jason Fichter, partner at InSite Surveying, LLC. "Al and Claudia Faraldi founded their company 36 years ago with the goal of providing superior service and to help their clients achieve their goals. InSite Surveying will continue to serve Faraldi Group's clients with the same superior service leveraging their extensive records, vast digital library and historical knowledge and professionalism of Jay Schack. By carrying Faraldi Group's legacy forward, we further our mission to ensure our clients' success and to provide rewarding professional opportunities to our staff."

The acquisition of Faraldi Group, Inc. provides InSite Surveying, LLC the opportunity to expand their existing client base and service offerings as well as to bring on a talented, licensed Professional Land Surveyor with a strong surveying background. The firm is acquiring Faraldi Group's vast collection of survey files from their 36 years of work, as well as the files of James Henderson, Ralph Brown, Arthur Brokaw and Joseph Oberiter, that Faraldi acquired over the years.
