

J.S. Held Expands Environmental, Health & Safety Practice with the Acquisition of Brennan Environmental, Inc.

February 26, 2020

JERICHO, N.Y. – February 26, 2020 – J.S. Held, a global, multi-disciplinary consulting firm, announced today that it has acquired Brennan Environmental, Inc., an environmental consulting firm based in New Jersey. Brennan Environmental, Inc. (BEI) provides due diligence, remediation design and oversight, regulatory compliance, health, and environmental services for the public and private sectors, as well as clients in the insurance, legal, real estate, and utilities sectors.

“The knowledge of the BEI team, as well as their reputation for delivering high-quality technical expertise and exceptional client service, makes this an exciting chapter in our growth,” said Tracey Dodd, Executive Vice President and J.S. Held’s Environmental, Health & Safety Practice Leader. “The addition of the BEI team furthers our efforts to support clients on complex environmental and regulatory matters, especially in the Northeastern United States.”

The scope of BEI’s consulting expertise also includes the performance of environmental investigations, risk assessments, property analysis, underground and aboveground storage tank evaluations, developing remediation protocols and corrective action plans, and providing geologic and hydrogeologic services.

BEI will join the J.S. Held team of more than 1,000 professionals around the world. BEI’s clients will have access to J.S. Held’s suite of specialized services including construction consulting, property damage assessments, water and fire restoration consulting, surety services, project and program management, equipment consulting, forensic architecture and engineering, and forensic accounting services.

“Joining J.S. Held aligns with the promise of our core values – to be professional, accountable, and responsive to the needs of our clients,” said John Brennan, President of Brennan Environmental, Inc. “We are very excited about all this partnership will bring to both our clients and the BEI team moving forward.”

J.S. Held was founded in 1974 and provides specialized consulting to better address complex construction, environmental, accounting, and economic matters globally. J.S. Held now has over 95 offices across the United States, Canada, Latin America, Europe, and the Middle East.
