

## **Katalyst Capital LLC announces investment in Mainstay Engineering Group, Inc.**

*February 01, 2022*

Katalyst Capital LLC ("Katalyst Capital"), a Chicago-based private equity firm, announced that it has partnered with structural and civil engineering company Mainstay Engineering Group, Inc. ("Mainstay Engineering"). Headquartered in Blue Bell, PA, Mainstay Engineering performs structural design, civil design and land development services to owners, manufacturers, developers and design professionals across 35 states. The current Mainstay Engineering management team will continue to lead the company into its next phase of growth.

"Through our partnership with Katalyst we've found a like-minded partner that mirrors our commitment to consistent quality and excellent service," said Matt Hilbush, President of Mainstay Engineering. "Together, we will continue to build on our solid foundation, and look forward to leveraging the additional resources and expertise to support our growth, deliver industry-leading results for our staff and clients, and meet the increased demand in the marketplace."

Greg Buzzell, Managing Partner at Katalyst Capital, added "Over the past 20 years Mainstay has earned a reputation for delivering creative, high-quality solutions paired with exceptional service. This partnership represents our belief in and commitment to the Mainstay team, and to the potential of the broader engineering services industry. We believe that with the backing of Katalyst Capital, Mainstay's growth will accelerate, and we look forward to continuing our partnership with Matt Hilbush and the Mainstay team as they embark on their next chapter."
