

K2M Design Expands Charlotte Presence with Merger of DAS Architecture

March 2, 2020

Charlotte, NC – March 2020 – K2M Design, Inc. announces the acquisition of Charlotte based company, DAS Architecture, Inc. Established in 2002, DAS has a reputation in the industry for its rich portfolio of work in the transportation, hospitality, multi-family, and commercial markets.

K2M Design is a dynamic high growth, entrepreneurial company specializing in architecture, engineering, interior design, and assessments. Founded in 2001, K2M has strategically grown its footprint over the years with offices in Baltimore, Cleveland, Columbus, Indianapolis, Key West, Marathon, Key Largo, Northwest Arkansas, as well as Charlotte.

The 12 DAS employees are located on East Boulevard in Dilworth, one of Charlotte's Historic District Neighborhoods. These individuals will join K2M Design's over 70 Architects, Engineers, Interior Designers, Facility Assessment Managers, and Support team across the country.

This merger supports K2M's growth strategy, providing geographical and project portfolio diversification. "We are excited to grow our talent pool and market reach in the great City of Charlotte. The DAS team aligns perfectly with our vision, mission, values, and culture," Stated Scott Maloney, President and Founder of K2M Design.

"We are excited to join forces with this dynamic team at K2M. The depth of talent, experience, and locations is a perfect match for the DAS team in direct alignment with the long-term strategy of our firm," commented Dane Suchoza, Founder of DAS.

The merger of DAS Architecture with K2M Design, is effective March 2, 2020. The company will operate under the name DAS Architecture, a K2Mpowered Company.
