*June 25, 2020*

LaBella Associates proudly welcomes Harmony Architectural Associates, PC to our team in Syracuse, NY.

Harmony boasts more than 45 years of experience and a wide range of architectural projects, both residential and commercial. During the firm's history, it also functioned as a design-build firm, resulting in a team of architects well-grounded in construction expertise.

Harmony's six employees will begin operating under the LaBella name and brand immediately. They will join LaBella's Syracuse-based staff of nine at its Armory Square office later this summer. LaBella has had a Syracuse-based office dedicated to serving the CNY region since 2014.
