

MCMAHON ACQUIRES NATIONALLY-RECOGNIZED PUBLIC AND EMERGENCY MANAGEMENT CONSULTING FIRM

January 15, 2020

McMAHON is pleased to announce that it has acquired the assets of RW Management Group, Inc., a Wisconsin-based public and emergency management consulting firm, effective January 1, 2020. RW Management Group provides professional municipal and public safety management consulting, municipal operation reviews, interim management, labor negotiations and other services related to municipal organizations throughout the United States. The company will now be known as 'RW Management – A McMahon Associates, Inc. Company'.

"This acquisition will enhance and expand the services and abilities of both RW Management and McMahon Associates," says Jeff Roemer, President of RW Management Group. Roemer has an extensive background in public safety, serving for more than 30 years in various capacities within municipal governments. This includes the positions of Fire Chief for the City of Green Bay and Public Safety Director for the Village of Allouez.

McMahon Associates President Paul Benedict added, "With the addition of public safety consulting, we will now provide a comprehensive list of services that will assist our municipal clients with their public safety needs. Jeff's experience and expertise in the area of public safety will be a great asset. In addition, RW Management's current clients will have access to the full suite of professional engineering and architectural services offered by McMAHON."
