

Cocciardi Joins Pennoni!

July 2, 2021

Pennoni, a multidisciplinary consulting engineering firm, is pleased to announce the acquisition of Cocciardi and Associates, Inc., of Mechanicsburg and Jessup, PA. The asset-purchase agreement was officially signed on June 21, 2021, and the firm will now do business as Cocciardi, a Division of Pennoni. With the addition of the Cocciardi staff, Pennoni is strengthening its Environmental, Health, and Safety (EHS) service offerings nationwide.

For 25+ years, Cocciardi has been a leader in the safety, industrial hygiene, environmental & public health and emergency preparedness fields. They offer safety, health consulting and management services, as well as training and education leading to national level certifications in all fields.

“Cocciardi’s services expand our EHS service offerings, and they bring a wealth of experience to a market that Pennoni is committed to serving. Cocciardi has a solid reputation, and we look forward to having them as a part of the Pennoni family as we assist in the health and safety needs of our clients” said Pennoni’s President & CEO, David DeLizza.

Joe Cocciardi, PhD, who founded the firm in 1988, will join Pennoni as Senior Health & Safety Professional. Dr. Cocciardi has spent more than 35 years in the fields of public safety and public, occupational, and environmental health. An emergency responder himself, he formerly developed and managed the Emergency Response Program for the Commonwealth of Pennsylvania’s largest state agency.

“Cocciardi is proud to join a firm with such a strong commitment to the communities in which they live and work. Pennoni’s focus on client service mirrors our approach and we look forward to continuing relationships with existing clients, as well as developing new ones,” said Cocciardi. “Our office staff, operations, and training centers will remain fully operational, and training and education will continue. We value our relationships and look forward to providing exceptional health, safety, environmental protection, and emergency preparedness services as part of Pennoni”.
