

Organization Announcement

July 13, 2020

It is with great pleasure to share that HBK Engineering, LLC became a wholly owned subsidiary of Quanta Services, Inc. as of July 2, 2020.

HBK Engineering, LLC is a proven leader in Utility Engineering with offices in 15 states and nearly 400 employees working on projects across the country. HBK President Ronald G. Kaminski said the acquisition will provide HBK opportunities with additional revenue streams from access gained to new markets. With Quanta, HBK will be enabled to further grow our footprint as a top professional service provider in the energy and communications industries. HBK's leadership and employee organization shall remain unchanged.

Quanta Services is a Fortune 300 company with more than \$11 Billion in revenue and over 39,000 employees worldwide led by Earl C. "Duke" Austin, Jr., President, CEO and COO. Quanta Services is a leading specialized contracting services company, delivering comprehensive infrastructure solutions for the energy and communications industries, including design, installation, repair, and maintenance with operations throughout the United States, Canada, Latin America, Australia and select other international markets.

"We are expected to continue operating in the mode that has made us successful. The important thing to remember is that we must remain focused on our clients in every respect," Ron Kaminski
