

SEPI acquires Clearwater, Florida multi-disciplined land development consulting firm to expand southeast footprint

March 22, 2022

SEPI is excited to announce our third Florida location through the acquisition of Deuel & Associates of Clearwater, FL. The acquisition of Deuel & Associates is aligned with our long-range strategy of:

- Southeastern U.S. Expansion
- Geographic Expansion in the Growth Market of Florida
- Diversifying into Non-DOT Markets
- Adding Growing, Complementary Services
- Building and Expanding our Existing Land Development & Landscape Architecture Services
- Deuel & Associates' broad base of expertise will provide an enhanced client experience benefiting both our public and private sector clients.

“The opportunity to add such an amazing firm to SEPI and continue to expand our footprint in the Southeast is one we couldn't pass up,” said Sepi Saidi, CEO of SEPI. “This acquisition positions us as a powerhouse firm across a variety of service offerings pertaining to land development, and across the A/E/C industry as a whole. We look forward to welcoming Deuel & Associates to the SEPI team.”

Deuel & Associates is a multi-disciplined land development consulting firm first established in 1954 by C. Fred Deuel, where he served as president of the company until his retirement in January of 2007.

Notable Deuel projects include developments such as the Clearwater Marine Aquarium, Calvary Baptist Church Athletic Field Complex (football, basketball, beach volleyball, baseball and weightlifting), various City of Pinellas Park projects, City of Madeira Beach roadway and drainage facilities, Alexander Orthopedic Centers, various City of Clearwater Parks and Recreation facilities, City of Clearwater Fire Stations #46, #47 and #50 and various projects for the Philadelphia Phillies spring training facility.

The firm is led by Al Carrier, PE, PSM, Brian Barker, PE, MSEM and Chris Chin, PE and is well-regarded within the West Coast Florida marketplace.
