

## **W&A Engineering acquires John F. Brewer and Associates**

*July 14, 2020*

W&A Engineering, Inc. is excited to announce the acquisition of John F. Brewer and Associates. For more than 50 years, John F. Brewer and Associates has been a cornerstone of the community, providing land surveying services within Walton County and the greater Atlanta area. In 2016, the firm was selected as the Walton County Surveyor.

As a second-generation land surveyor, John Brewer, III will be joining the W&A's Land Surveying Team as Director of Surveying for the Monroe office with more than thirty years of experience. Throughout the years, John has gained a variety of experience managing projects in various sectors of all sizes.

The Monroe office will serve as a new regional hub for W&A to continue to forge new relationships and improve communities as we expand across the southeast.
