

WestLand Engineering & Environmental Services, Inc., Announces Acquisition of EM Strategies, Inc.

October 01, 2021

WestLand Engineering & Environmental Services, Inc., (WestLand), has announced the merger of Environmental Services firm, EM Strategies, Inc. located in Reno, NV.

WestLand is an engineering and environmental professional services firm that was established in Tucson, Arizona in 1997. The Company is 100 percent employee-owned, with offices in Tucson, Phoenix, and Flagstaff, Arizona; Portland, Oregon and Bothell, Washington; and now Reno, Nevada.

“We are very excited to be welcoming Rich and his team to the WestLand family,” said Jim Tress, President and CEO of WestLand. “EM Strategies’ presence in Nevada expands our service offering and the value we can bring to our clients throughout the Western United States. The merger of EM Strategies into our organization brings with it a broad range of expertise that compliments WestLand’s core services. More importantly, the synergies created by the merger of the two companies provides growth opportunities for both firms’ staff.”

“Joining WestLand presents a number of exciting opportunities for our employees and clients”, said, EM Strategies’ President, Richard DeLong. “We look forward to leveraging WestLand’s expertise and resources to better serve our clients and offer greater opportunities for our people.”
