

NV5 Acquires KMK Technologies, Strengthens Building Technology Solutions

September 16, 2022

NV5 Global, Inc. (the “Company” or “NV5”) (Nasdaq: NVEE), a provider of technology, conformity assessment, and consulting solutions, announced today that it has acquired KMK Technologies, LLC. (KMK), a provider of technology design and consulting services. KMK serves public and private sector clients that require advanced audiovisual, lighting, security, and IT systems for their facilities. The acquisition was made with a combination of cash and stock and will be immediately accretive to NV5’s earnings.

“KMK has designed the building technology infrastructure for numerous high-profile projects, and we look forward to integrating these capabilities into our Buildings and Clean Energy business. NV5’s ability to deliver both MEP and technology design provides a competitive advantage on projects requiring integrated technical capabilities, and the acquisition of KMK strengthens NV5’s position as a leader in building systems design and consulting,” said Dickerson Wright, PE, Chairman & CEO of NV5.

“We are pleased to welcome KMK to the NV5 team as it strengthens our technology design and consulting capabilities,” said Ben Heraud, COO of Buildings and Clean Energy Solutions at NV5.
