## **T-O Engineers Joined Ardurra**

Natick, MA (September 12, 2022) – T-O Engineers (TOE), a 200+ person, full-service engineering firm based in Boise, ID, joined Ardurra Group, an *ENR* Top 500 firm that offers consulting and engineering services to public and private entities throughout the United States. TOE will serve as a platform for Ardurra's expansion in the aviation market and geographically in the Northwest region.

Founded in 1984, TOE focuses on the infrastructure market specifically aviation, transportation, public works, and water/wastewater. The firm operates out of nine offices in Idaho, Washington, Utah, and Wyoming.

Bill Russell, President of TOE mentioned, "At T-O, our mission has been to help our clients achieve success while improving the communities in which we live and work. We are excited to bring Ardurra's expertise to the Pacific Northwest and Rocky Mountain Region to further this mission. Our vision is to be the choice for our employees, clients, and owners. Teaming with Ardurra allows us to fulfill this vision, without compromising our values. We believe Ardurra to be the perfect fit to expand our footprint through the country while continuing to serve our current clients and are excited about the future and the ability to add to the Ardurra team."

Ardurra's President & CEO, Ernesto Aguilar, explained, "T-O Engineers share a joint vision in helping our clients achieve success, improve our communities, and provide opportunities for our employees. We are thrilled to welcome them to Team Ardurra!"

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, initiated the transaction and advised T-O Engineers.
