

SEPI ACQUIRES WILMINGTON, NC GEOMATICS FIRM TO EXPAND MARKET FOOTPRINT + ANNOUNCES THE OPENING OF NEW WILMINGTON OFFICE

September 16, 2022

SEPI, Inc. (SEPI), a full-service engineering, land planning, land development, environmental, infrastructure design, geomatics, construction inspection, asset management, and maintenance consultancy headquartered in Raleigh, NC, announced the acquisition of Atlantic Coast Survey, of Wilmington, NC. The addition of 16 staff significantly increases SEPI's Wilmington market presence ahead of a new office buildout and move to Wilmington's Autumn Hall location.

This latest acquisition supports SEPI's long-range strategy of diversifying their service offerings, building and expanding Geomatics services, and expanding throughout the Southeast. Together the company's broad base of expertise will provide an enhanced client experience benefiting both our public and private sector clients.

"The opportunity to add Atlantic Coast Survey to our SEPI family broadens our in-house capacity to further serve our valued existing and future clients, with greater capacity, responsiveness, and excellent service." said Wilmington native Steve Moore, P.E., Senior Vice President, Director of Growth & Development, and Wilmington Market Leader for SEPI.

SEPI was founded in 2001 by Sepi Saidi, P.E. and she transformed the company to be a premier multi-disciplinary engineering firm ranked annually in the ENR Top 500 with a mission to serve clients as a trusted resource, contribute to projects that improve the quality of life in its communities, and provide a rewarding employee experience through its diverse and inclusive team culture. She has continued to lead the firm to be \$40 million in revenue, with more than 300 employees in several states across the southeast. This growth has been the catalyst and underlying theme for the past two years.

One of Wilmington's leading geomatics firms, Atlantic Coast Survey is known for their quality surveying services and efficient delivery for their clients.

"It was important that I find the right company that offered a breadth and depth of talent along with a human dimension," said Atlantic Coast Survey Founder & President, Miles McCall, PLS. "SEPI offers all of that, and I am thrilled to become a part of the Team."

In addition to its office in Wilmington, SEPI has eight locations throughout the Southeast including offices in Asheville, Charlotte, its headquarters in Raleigh, NC, Charleston, SC, Beaufort, SC, Clearwater, FL, Palmetto, FL and Fort Lauderdale, FL.
