

## Continues to Grow Erie, PA Presence

*October 5, 2022*

CT Consultants Inc. is pleased to announce the merger of Henry T. Welka and Associates of Erie, Pa.

Established in 1969, Henry T. Welka and Associates provides quality land surveying, civil engineering and land planning services to residential, commercial & institutional customers in the Erie area. With more than 16,500 successful projects for over 11,500 clients, Henry T Welka is committed to a legacy of excellence for more than 53 years.

CT Consultants Inc. is a professional consulting firm providing engineering, architectural and planning services. CT fosters decades-long client relationships through a highly collaborative style, steadfast dedication to excellence and delivery of comprehensive engineering solutions. Celebrating 100 years in business, CT continues to focus on growth and expansion; providing employees with career growth and leadership opportunities through their talent-focused culture.

“We welcome Welka and Associates to CT. Adding to our presence in Erie, Pa was a high priority for us. Their long history and unparalleled service was a significant part of making this merger happen. All of us at CT look forward to working together to deliver top quality, cost-effective services,” said Dave Wiles, PE President of CT Consultants.
