

RSAnalysis Acquisition

October 20, 2022

Integra Testing Services, LLC (“Integra”) is pleased to announce the acquisitions of RSAnalysis and RSACx (collectively “RSA”). RSAnalysis is a comprehensive HVAC testing, adjusting and balancing (TAB) services provider. RSACx is an independent building commissioning firm. Both companies are headquartered in the Sacramento, California area with branch offices located in San Francisco, Las Vegas, Reno and Salt Lake City.

The addition of RSA expands Integra’s presence nationally adding 65 employees and five more office locations to Integra’s existing 145 employees and nine office locations across the United States. Co-owners Mike Renovich and Mario Turpin as well as President Eric Grundmeier will continue to operate the business with the addition of resources across the Integra platform.

Dominic Mazzolini, CEO of Integra noted “The manner in which RSA and RSACx conduct their businesses align with our core values. Like all Integra companies, they stand by ‘doing the right thing’, conducting their business with complete independence and integrity, and treating their customers and employees with respect, professionalism, and kindness. We are simply thrilled to have them join the Integra family.”

“I and RSA are very encouraged by the possibilities moving forward,” commented Mike Renovich, Co-Owner and CEO of RSA. “As a part of the Integra team, I believe we haven’t even scratched the surface on our potential to grow.”
