

Buckthorn Partners to acquire Amey plc

October 11, 2022

Buckthorn Partners LLP (Buckthorn), a UK investment firm focused on energy services businesses, announces that it has entered into an agreement to acquire Amey Group PLC, a UK-headquartered infrastructure services and consulting engineering company, from Ferrovial S.A. (Ferrovial). Amey is a leading supplier to the UK government and public sector with over 100-years of experience in innovative design and infrastructure management, maintenance, and upgrade, with core expertise in consulting and transport and built infrastructure management.

Buckthorn will partner in this transaction with One Equity Partners, a middle market private equity firm focused on the industrial, healthcare, and technology sectors in North America and Europe. Buckthorn and OEP will invest in Amey to strengthen and grow the business and to access new opportunities, particularly in energy transition, where Amey is particularly well-placed to support the UK's Net Zero ambitions.
