

Pennoni Expands in Florida with Kempton Rinard

November 1, 2022

Pennoni, a multidisciplinary consulting engineering firm headquartered in Philadelphia, is excited to announce the recent acquisition of certain assets of Kempton Rinard, Inc. in Tampa, FL. Pennoni welcomes the staff and effective immediately, the group will be working as the Kempton Rinard Division of Pennoni.

“As we continue to serve public and private clients in the Tampa Bay area, we are delighted to offer an expanded range of service offerings. The addition of Kempton Rinard will allow us to have a greater reach in the community, and we are excited for the opportunities of growth for our clients and newly expanded staff,” says Brian Diehl, PE, regional vice president.

Headquartered in Tampa, FL, Kempton Rinard provides landscape architectural and civil engineering services for multi-faceted corporate, institutional, municipal and governmental design projects throughout the Southeastern U.S. and the Caribbean.

“Tampa is a natural extension for Pennoni,” said David DeLizza, president & CEO at Pennoni. “With our existing offices in Clearwater and Winter Haven, the new location allows us to expand our presence in the Tampa Bay area. The addition of Kempton Rinard adds landscape architecture to our capabilities and expands our civil engineering expertise in the region.”

The new Tampa, FL office is located at 3242 Henderson Blvd. Suite 200, Tampa, FL 33609.
