## **JMT Acquired Civil Consulting Group**

Natick, MA (November 17, 2022) – Johnson, Mirmiran & Thompson (JMT), a 100 percent employee-owned firm based in Hunt Valley, MD, acquired Civil Consulting Group (CCG), a consulting firm based in McKinney, TX.

The combination of the firms strengthens JMT's commitment within Texas by augmenting its local and regional transportation design capabilities. CCG's clients benefit from the continuity of service they will receive from current staff, with the added advantage of a greatly expanded multi-disciplinary suite of services and expertise.

Founded in 2006, CCG provides cost-effective, reliable, and creative engineering services with an emphasis on delivering high-quality designs that streamline construction while enhancing safety. The firm is well-known for its expertise in roadway design, water resources engineering, traffic control design, and utilities engineering.

JMT President John A. Moeller, PE, said: "Our staffs have collaborated for years, so we know CCG's reputation for high-quality work has been earned through their sincere commitment to each and every client. We look forward to continuing and building on the great relationships CCG has established."
