## **Atwell Acquires Ben Dyer Associates**

Natick, MA (December 1, 2022) – Atwell, a national consulting, engineering, and construction services firm, acquired Ben Dyer Associates, a 60-person engineering firm based in Maryland. Ben Dyer Associates specializes in civil engineering, land planning, and surveying services for land development and redevelopment projects throughout Maryland and the District of Columbia.

This acquisition expands Atwell's reach into the US Mid-Atlantic region and will strengthen Atwell's ability to support a variety of land development projects, including single and multi-family residential, commercial, and industrial. Ben Dyer is also experienced in the power and energy market, enhancing Atwell's ability to support solar projects on the east coast.

"Atwell and Ben Dyer share a similar business strategy – we guide and advise our clients through every stage of a project from concept to completion," said Brian Wenzel, President and Chief Executive Officer of Atwell. "This acquisition supports an expansion into a new region for Atwell and is another meaningful advancement of our long-term strategic growth."

"Alignment of culture and values is incredibly important for us," said Steve Mauersberg, President of Ben Dyer Associates. "Ben Dyer and Atwell share a joint vision of improving our communities, helping our clients achieve success, and providing opportunities for our employees."

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, advised Atwell.
