

## **Bennett Engineering Services and Y&C Transportation Consultants have Merged**

*January 1, 2023*

We are pleased to announce that Bennett Engineering Services + Y&C Transportation Consultants (Bennett+Y&C) have merged our practices effective January 1, 2023.

Bennett+Y&C takes pride in finding innovative and cost-effective engineering solutions to important infrastructure projects:

- Transportation
- Traffic Engineering
- Water & Wastewater
- Hydraulics & Hydrology
- Site Development
- Parks & Recreation
- City & District Engineering
- Funding

Together, we will maintain our Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE) certifications.

The firms also complement each other in geography with Roseville, Sacramento, Fremont, and Milpitas office locations. Together the firm will provide services throughout California and Nevada.

We continue with our goal to serve as your trusted engineering advisors and offer dedicated, highly experienced project managers who focus on being accessible and responsive to your needs.
