

## **Bennett Surveying has joined Wallace Design Collective**

*February 1, 2023*

We're excited to announce Bennett Surveying has joined Wallace Design Collective, effective February 1, 2023! This teaming brings more land surveying depth to our firm, allowing us to provide this service line to clients across a broader geographical area. Our combined teams - under one dynamic firm - will continue to provide quality services and exceptional value to our clients, projects and communities. Please join us in welcoming Bennett Survey to Wallace Design Collective. We're excited to make Wallace an even better partner for our clients and the best place to work for our employees.
