

Weston & Sampson CMR, Inc. Acquired the Denis L. Maher Company

February 15, 2023

Weston & Sampson CMR, Inc. is pleased to announce we acquired the Denis L. Maher Company on January 6, 2023.

Located in Sterling, Massachusetts, the Denis L. Maher Company is an industry-respected water well company providing clients with quality services including well drilling, well cleaning, well redevelopment, video inspection, and pump repairs. Denis L. Maher Company complements Weston & Sampson CMR and allows us to expand our well drilling capabilities (currently in CT and NY) throughout New England. This acquisition also aligns with our Mission and Vision to enhance the natural environment and offer more capabilities to assist our valued clients with their water needs. We are excited to have them join our team.

The Denis L. Maher name will continue as a division of Weston & Sampson CMR, Inc. All clients will receive the same great service with no change. If you have water well needs, or want more information, please contact Owen Murray at 508-254-7343.
