

Quadrant and River Structures have joined force

April 18, 2023

We are excited to announce that Quadrant and River Structures have joined forces to become QRS Consulting, LLC. This merger combines the best of both companies into a single, multi-discipline engineering and survey firm. This will allow us to provide a wider range of expertise and resources while continuing to provide the same exceptional customer services that both companies are known for.

QRS Consulting now offers the following services in-house:

- Natural Resources Engineering
- Fisheries Design
- Bridge Design and Inspection
- Hydropower Design
- Design of Hydraulic Structures
- Civil Engineering
- Survey and Drone Imaging
