

## **Aegion Announces Acquisition of Infracpec Services, Inc.**

*May 2, 2023*

Aegion Corporation, a leading provider of infrastructure maintenance, rehabilitation and technology-enabled water solutions, today announced the acquisition of Infracpec Services, Inc., a corporation that specializes in trenchless water rehabilitation services in Quebec, Canada. Infracpec plans to operate under its current company name in the near term.

Infracpec has grown rapidly since it was founded in 2009 and is one of the leading trenchless rehabilitation providers in Quebec. The company self-performs cured-in-place pipe rehabilitation (CIPP), sewer cleaning & inspection, grouting, as well as lead pipeline replacement services.

“The legacy and full-service nature of Infracpec make it a strong addition to our portfolio,” said Rob Tullman, President and CEO, Aegion. “Together, our teams will continue servicing the Canadian municipal market with more resources than ever before. We look forward to helping Infracpec grow in the market under Éric Bellemare’s proven leadership.”

Infracpec employees and facilities will remain in place in Quebec.

“Our company’s rapid expansion over the past 14 years is a testament to our talented teams,” said Éric Bellemare, President, Infracpec Services. “Under new ownership, I am confident that we will continue to offer unparalleled services and solutions in Quebec while broadening our territory and strengthening our group.”
