

Control Point Associates, Inc. is proud to announce the acquisition of McLaughlin Engineering Co.

July 5, 2023

“Control Point Associates, Inc. is pleased to announce that the McLaughlin Engineering Company based in Fort Lauderdale, Florida is our 12th office branch! The group, led by the McLaughlin Family for 85 years, has primarily served the eastern region of Florida along the gold coast. “We welcome the McLaughlin Engineering Company, and their amazing team, as part of our CPA Family! This union will create many opportunities for our organizations and help to expand our company into new markets.”

~ Richard A. Butkus, Jr. President and Managing Partner.
