

Acquisition of Richard Flanders Enterprises (dba Integra Testing Services – Florida)

July 31, 2023

Integra Testing Services, LLC (“Integra”) is pleased to announce the acquisition of Richard Flanders Enterprises, Inc. (“Flanders”). Flanders, based in the Orlando, FL area, has provided testing, adjusting and balancing (TAB), HVAC building systems commissioning, and sound and vibration testing services to the greater Florida area since 1981.

The addition of Flanders marks the creation of a new division for Integra which will be operating as Integra Testing Services – Florida (Integra Florida). Integra Florida adds 20 employees and one office location to Integra’s existing footprint of 255 employees and sixteen office locations across the United States, Singapore and Guam. Flanders’ owner, Harlan Rosenberg, will join Integra Florida as General Manager and will continue to operate the business with the support of resources across the Integra platform.

Harlan Rosenberg, owner of Flanders commented, “I am happy to join the Integra family and encouraged by the opportunities Integra provides us to best serve our valued customers and the Florida market.”

“We are thrilled to be able to introduce our Florida division through our acquisition of Flanders,” noted Dominic Mazzolini, Integra’s CEO. “With its decades of service, Flanders has established solid roots in its local market and we look forward to building on this foundation by bringing the power of Integra’s network of nationwide resources, service offerings and technical expertise to Florida.”
