**Saber Power Acquires Bath Group, Inc.**

Natick, MA (July 13, 2023) – Saber Power Services, LLC (Saber), acquired Bath Group Inc., an engineering and consulting firm headquartered in Corpus Christi, Texas.

Founded in 1957, the Bath Group offers electrical, mechanical, instrumentation and control, and commissioning engineering services. By joining forces with Bath, Saber immediately expands its Texas Coastal Bend presence while adding engineering coverage to markets not presently served such as El Paso, Tulsa, and Albuquerque.

“We are thrilled to welcome the Bath Group to the Saber Power family,” says Saber’s CEO Brian Bratton. “As an engineering-led firm, Saber can now offer a more robust suite of solutions that will benefit our clients and lead to significant pull-through work for our Maintenance Services and Field Services divisions.”

This strategic acquisition marks a significant milestone in Saber Power Services’ growth and diversification strategies and solidifies its position as a market leader while doubling its engineering capacity.

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, initiated the transaction and advised Saber.
