

Abramson Architects Acquires Moon Mayoras Architects

August 29, 2023

Abramson Architects acquires Moon Mayoras Architects, known for their expertise in navigating OSHPD projects under the jurisdiction of the California Department of Health Care Access and Information (HCAI). This strategic merger combines over 60 years of experience, solidifying Abramson Architects' position as a leader in compassionate healthcare architecture. Together, they shape the future of healthcare design, delivering transformative environments that prioritize patient well-being. The collaboration reflects a shared commitment to creating intelligent, effective, and HCAI-compliant designs, enhancing care quality and promoting healing in the process.
