

Acquisition Expands Capabilities of NH Engineering Firm

August 07, 2023

Horizons Engineering Inc., a New Hampshire-based civil and structural engineering, land surveying, and environmental consulting firm, announced the acquisition of Land Technical Service Corp. (Land Tech).

Under the ownership of Bryan Berling, LLS, Land Tech has been servicing the Ossipee area since 1990 with land survey and septic design needs. The addition brings a greater capacity to service the region from the existing Horizons office in Ossipee as well as ensure the current clientele of Land Tech is well cared for throughout the transition. Berling will continue servicing his client network as well as existing and new Horizons clients. He will be joined by Sean McCormack, survey technician II, and Diane Falcey, office administrator, in the Horizons office at 1270 Route 16 in Ossipee.

Horizons Engineering president, Andrew Nadeau, LS, PLS managing the acquisition, said, “We are excited about this opportunity to expand Horizons geographic area and client network once again. The addition of Land Tech adds a talented group of like-minded land survey and engineering professionals to our team allowing us to better serve our clients and communities.”
