

Donald W. McIntosh Associates Joins Forces with LJA Engineering, Inc.

August 25, 2023

Donald W. McIntosh Associates, Inc. (McIntosh Associates), a prominent Florida based firm with a rich history spanning 66 years, has officially become a part of LJA Engineering, Inc. (LJA), a leading multi-disciplinary engineering consulting powerhouse. This union brings together two exceptional organizations that share similar values, cultures, and a commitment to delivering top-notch professional engineering and land development services.

McIntosh Associates, headquartered in Winter Park, Florida, has been a trusted name in the industry for decades, renowned for its expertise in civil engineering, land planning, and surveying services. With a dedicated team of 56 employees, McIntosh has consistently demonstrated excellence in its field, establishing a legacy of integrity and reliability.

LJA, a nationally recognized engineering consultancy in business for over 50 years, has a workforce of more than 1600 employees and offers comprehensive services across both the public and private sectors. Employee owned and headquartered in Houston, Texas, LJA has been making significant strides in expanding its footprint across Florida.

“We are excited to welcome McIntosh Associates to the LJA family,” said James Ross, CEO of LJA Engineering. “This partnership marks a significant milestone for us as we continue to strengthen our presence in Florida and enhance our capabilities to better serve our clients.”

McIntosh Associate’s president, Jeff Newton, PE, expressed enthusiasm about the merger, stating, “Joining forces with LJA is a natural progression for us. Our shared vision and complementary strengths will bring about a new era of growth, innovation, and success. We look forward to leveraging this partnership to deliver unparalleled value to our clients and provide our employees with rewarding opportunities for professional development.”
