**EME Group joins Salas O'Brien**

Natick, MA (August 14, 2023) – EME Consulting Engineering Group, LLC (EME Group), a professional engineering and sustainability services firm serving the local, state, and federal governments; healthcare; education; multifamily; industrial; and commercial sectors, joined facilities planning and design firm Salas O'Brien.

EME Group and Salas O'Brien will work together to broaden commissioning, MEP, and sustainability services in New York. EME Group will continue its core focus on facility and energy efficiency improvements for premier government and institutional clients. The EME team will continue to be managed by its current leaders.

"This partnership is a testament to our shared values and expertise. Joining Salas O'Brien is a major leap forward in our commitment to delivering innovative and sustainable solutions and providing even more value to our clients. Becoming part of Salas O'Brien ensures continued growth for our firms," said Michael McNamara, Founding Partner of EME Group.

"Salas O'Brien's focus on energy efficiency and innovation aligns perfectly with the expertise of EME Group, and we are excited to advance the human experience together. Collectively, our values, visions, and passion will create unlimited opportunities for our clients and team," said Darin Anderson, Chairman and CEO of Salas O'Brien.

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, initiated the transaction and advised EME Group.
