

Baseline | DCCM Acquires Strong Surveying

September 26, 2023

Baseline | DCCM is pleased to announce its recent acquisition of Strong Surveying, LLC, a land surveying company headquartered in Bryan, Texas.

Strong Surveying was established in 1994 in Bryan, Texas, by Angela and Curtis Strong, RPLS. Strong Surveying provides professional land surveying services throughout the Brazos Valley and surrounding counties. They specialize in land boundary surveying, topographic surveying, and construction staking for both public and private sector clients. As a part of Baseline | DCCM, the Bryan/College Station office will provide additional resources and technology to support the region with professional land surveying.

As Survey Director – Bryan/College Station, Curtis Strong, RPLS, will continue to manage his existing personnel and continue to provide professional land surveying for existing and new clients in the region.

“The acquisition of Strong Surveying accelerates the development of Baseline | DCCM’s overall strategy and broadens our offering of exceptional surveying services,” said Steve Williams, RPLS, President of Baseline | DCCM. “Bringing a company such as this into the family furthers our expertise, experience, and value to our clients.”
