

ESP Expands in the Growing Texas & Colorado Markets

September 21, 2023

Expanding our transportation, water resources, and public utilities services and capabilities in the growing Texas and Colorado markets, ESP Associates, Inc. is excited to welcome CivilCorp, LLC and Ditesco, LLC to our family of companies.

ESP President, Joe Hendrick: “Throughout ESP’s nearly 40-year history, we have prioritized maintaining a small-firm feel while delivering large-firm capabilities. From top to bottom, the professionalism, technical expertise, and entrepreneurial spirit of the CivilCorp and Ditesco teams made them a natural fit as partners who share our values around integrity and authenticity. This partnership will provide tremendous opportunities for our employees to grow and excel, and we look forward to building on the combined organization’s successful track record of delivering forward-thinking, innovative solutions to our clients and communities.”

Texas-based CivilCorp, LLC is a full-service engineering, geospatial, and inspection firm supporting transportation and public works projects. Colorado-based Ditesco, LLC is a civil engineering and program, project, and construction management firm supporting water and wastewater treatment, transportation, utilities, municipal broadband, and vertical building projects.
