

TBA Studio Acquires Douglas Architects: A New Era in Architectural Excellence

September 5, 2023

TBA Studio, a leading player in the architecture and design industry, is proud to announce its acquisition of Douglas Architects, Inc. a highly regarded architectural firm known for its innovative and visionary design solutions. This strategic move marks a significant milestone for both organizations and promises to redefine the landscape of architectural excellence.

The acquisition of Douglas Architects represents a concerted effort by TBA Studio to expand its capabilities, enrich its portfolio, and reinforce its commitment to delivering world-class architectural solutions to clients across the South.

TBA Studio has a rich history of design innovation and a proven track record of transforming visionary concepts into reality. With this acquisition, the company gains access to a wealth of expertise, talent, and a portfolio of groundbreaking projects that Douglas Architects has accumulated over 17 years in the industry.

Commenting on this landmark acquisition, Tim Brandon, CEO of TBA Studio, said, “We are thrilled to welcome Douglas Architects into the TBA family. This acquisition not only strengthens our position in the market but also enhances our ability to meet the evolving needs of our clients. We share a common vision of design excellence and innovation, making this union a natural fit.”

Douglas Architects shares the excitement surrounding this merger. Andrew Douglas, President of Douglas Architects, remarked, “Joining forces with TBA presents an incredible opportunity to grow in new ways, bring additional value for staff and clients while continuing our tradition of innovative architectural designs.” Douglas Architects’ CEO, Melissa Douglas, “We are eager to bring our passion for transformative, user focused design, along with our decades of experience and creativity, collaborating with TBA Studio to create even more inspiring spaces and environments.”

Clients of both firms can expect a seamless transition, with projects benefiting from the collective knowledge, experience, and innovative thinking of this newly formed architectural powerhouse.

This acquisition aligns with TBA Studio’s strategic growth plan and its unwavering commitment to delivering excellence in architectural design. It underscores the company’s dedication to investing in the future of the industry and solidifies its position as a leader in the field.
