

## **VS Engineering acquired Radtke Engineering and Surveying**

*January 1, 2019*

The VS La Porte Office is managed by Mark Herald, P.E., who is also the manager of the VS Fort Wayne Office. Mark has over 16 years of professional engineering experience and serves as Project Manager for the firm's transportation and environmental projects. Mark's leadership experience and knowledge allows him to successfully guide our La Porte office staff and the management of our Northwest Indiana-based projects.

VS Engineering acquired Radtke Engineering and Surveying in 2019, bringing on seven new staff and establishing an office in La Porte. Radtke provided design, project management, surveying and engineering services throughout Northwest Indiana. Owner Gary Radtke maintains Radtke Engineering but works closely with VS on developing our presence further in Northwest Indiana.
