

C2AE and T2 Designs Join Forces

October 4, 2023

C2AE and T2 Designs are excited to announce that they are now one company!

T2 designs was founded in Brighton, Michigan, in 1996. The team has a reputation for creative interior design services among clients such as the University of Michigan, Thomas Duke Company, Comcast, and Brighton Area Schools.

C2AE opened in 1966 and primarily serves government, education, and manufacturing clients. The 130-person firm comprises civil, structural, mechanical, and electrical engineers, architects, interior designers, landscape architects, and support professionals. C2AE has offices in Lansing, Grand Rapids, Gaylord, and Escanaba, Michigan, as well as Syracuse and Canton, New York.

Both teams are excited to combine their skills and resources to better support clients throughout the state and region. This partnership not only marks a pivotal moment in both teams' growth but also reinforces their shared commitment to creating powerful, practical, and personal design solutions for the many clients they each serve.
