Inwood Consulting Engineers Joins Ardurra Group

Natick, MA (October 10, 2023) – Inwood Consulting Engineers, Inc. (Inwood), a 75-person Transportation/Water firm based in Orlando, Florida, joined Ardurra Group, an ENR Top 500 firm that offers consulting and engineering services to public and private entities throughout the United States. With the addition of Inwood, Ardurra further expands its service offerings and presence in Florida.

Ardurra’s President & CEO, Ernesto Aguilar, explained, “We are excited about having the talented professionals at Inwood join Ardurra and foresee a strong partnership given a shared entrepreneurial spirit and complementary firm values. We look forward to the significant growth opportunities that can be unlocked in Florida under the two businesses’ combined expertise and experience.”

David Coleman, President of Inwood adds, “The growth opportunity for our firm and staff attracted us to Ardurra, but their leadership and culture matched ours so well that we didn’t know where Inwood ended and Ardurra began. The fit couldn’t have been better, and we see an incredible future together.”

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, initiated the transaction and advised Inwood.

About Morrissey Goodale:

Morrissey Goodale has helped hundreds of clients transform and grow their architecture, engineering, and environmental consulting companies into high-level performers through strategic business planning, mergers and acquisition advisory, valuation and ownership transition, market research, marketing and business development, leadership training and development, Lean Operation Strategies,

organizational development and management, virtual reality solutions, and executive search. Morrissey Goodale's team of M&A consultants assist throughout the M&A process, from preparing firms for a transaction to a successful integration.

Morrissey Goodale's extensive network of relationships with AE industry decision-makers around the globe uniquely qualifies the firm to identify the right buyers or sellers and guide AE firms through the complex merger or acquisition process, from conception to close.
