

Ardurra Group, Inc. Acquires Arredondo, Zepeda & Brunz, LLC

November 6, 2023

Ardurra Group, Inc. (Ardurra) has acquired and merged with Arredondo, Zepeda & Brunz, LLC (AZ&B), an 86-person Transportation/Aviation/Transit/Survey/Water firm based in Dallas, TX.

Ardurra Group is an Engineering News-Record Top 100 firm providing consulting and engineering services to public and private entities throughout the United States. With the addition of AZ&B, Ardurra further expands its service offerings and presence in Texas.

Ardurra's President & CEO, Ernesto Aguilar, explained, "We are excited to have AZ&B join Team Ardurra. AZ&B has grown significantly in 40 years, and their core values of providing innovative solutions to communities and doing their best to advance the careers of their staff, perfectly align with our values. We look forward to the significant growth opportunities that can be unlocked under the two businesses' combined expertise and experience."

Alfonso Garza, President of AZ&B adds, "Team Ardurra and AZ&B share similar professional cultures, take ownership and focus on meeting the needs of our clients and staff. We also build synergies that equip our teams to deliver success to our clients with innovation, high quality deliverables and tailored client management services. We are enthusiastically looking forward to adding value to Team Ardurra and partnering with clients to provide high quality program and construction management, design and survey professional services."

Ardurra Group, Inc. operates as a portfolio company of Littlejohn & Co., LLC. (Littlejohn). Littlejohn is a Greenwich, Connecticut-based investment firm focused on private equity and debt investments primarily in middle market companies. With approximately \$8.0 billion in regulatory assets under management, the firm seeks to build sustainable success for its portfolio companies through a disciplined approach to engineering change.
