**UNICO Engineering Acquires Idyllwild Land Surveying**

Natick, MA (December 11, 2023) – UNICO Engineering, a construction management, land surveying, and systems integration services firm based in Folsom, California, acquired Idyllwild Land Surveying, a Southern California land surveying firm that offers boundary survey, topographic survey, drone topography, A.L.T.A survey, and construction surveying services.

This acquisition increases UNICO's surveying capacity in Southern California and adds four seasoned survey staff to the team.

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, initiated the transaction and advised UNICO Engineering.

**About Morrissey Goodale:**

Morrissey Goodale has helped hundreds of clients transform and grow their architecture, engineering, and environmental consulting companies into high-level performers through strategic business planning, mergers and acquisition advisory, valuation and ownership transition, market research, marketing and business development, leadership training and development, Lean Operation Strategies, organizational development and management, virtual reality solutions, and executive search. Morrissey Goodale's team of M&A consultants assist throughout the M&A process, from preparing firms for a transaction to a successful integration.

Morrissey Goodale's extensive network of relationships with AE industry decision-makers around the globe uniquely qualifies the firm to identify the right buyers or sellers and guide AE firms through the complex merger or acquisition process, from conception to close.
